Dear Partner,

On behalf of the Association of Ohio Health Commissioners (AOHC), we invite you to consider taking part as a sponsor and exhibitor at the **2026 AOHC Fall Conference**, taking **place September 21–23, 2026**, at:

Embassy Suites
5100 Upper Metro Place
Dublin, Ohio 43017 (*Northwest Columbus*)

AOHC stands for Ohio's local public health system, with members including Health Commissioners and local health departments from all 111 jurisdictions across Ohio. Public health in Ohio encompasses a broad range of critical services, including clinical care, environmental health, emergency preparedness, communicable disease response, prevention initiatives, and health promotion programming that directly affect communities statewide.

The AOHC Fall Conference is a premier continuing education and networking opportunity that brings together approximately 300 public health professionals, including Ohio Health Commissioners, local health department staff, strategic staff from the Ohio Department of Health, and representatives from statewide public health associations. With participation expected from nearly every local health district in Ohio, the conference offers a valuable opportunity to connect with leaders and professionals shaping public health across the state.

As the chief executive leaders of their local health departments, Health Commissioners make important decisions on purchasing, vendor partnerships, operational services, technology investments, and strategic initiatives. This conference offers a valuable opportunity to connect directly with these decision-makers and the broader public health workforce.

This year, we are pleased to offer updated sponsorship opportunities that provide flexibility and enhanced visibility:

Exhibitor Display Table on September 22 and 23 – \$800

Includes:

- Exhibitor display table in the trade show exhibit area.

Premier Sponsorship – \$1,500
